Location

The subject is situated in a predominately residential area, located off Gathurst Lane just 200 yards from Shevington village centre. Residential property surrounds the subject and therefore this should be borne in mind when considering proposed uses for the property.

Description

A concrete surfaced, approximately rectangular shaped yard to the rear of which is sited a modern workshop facility. The workshop is constructed in 2 bays which are interlinked with Bay 1 benefiting an electronically operated roller shutter access door, providing vehicular access direct from the yard and Bay 2 connecting to the Bay 1 via an internal manually operated roller shutter door with access to this bay for pedestrian purposes also provided direct from the yard. Bay 1 is constructed of portal frame with insulated sheet clad walls and roof and Bay 2 constructed of block and brick walls with an insulated PVC coated cladding to the roof. The bays provided for a minimum working height of 2.8 metres extending to a maximum working height of 3.7 metres and are extremely well presented with a concrete screed floor and with bay 2 containing a small office and natural lighting via windows to one elevation.
